Yes. I was just about to do that. Sorry for the delay. I have several notes and more info than what I've provided below, but they are back at work, and we've been asked not to go in to the office. So I don't have the full file. However, here's some brief info:

(b) (5), (b) (7)(A), (b)(5) attorney-client privilege

Thanks,

We'll talk soon,

- Richard

Hi Andrew. Thanks for contacting me and for your help. When you have time in the coming days, let me know, and perhaps we can have a call to brief you on the site. In the meantime, I can send over a state file for your review. Does next Monday or Tuesday work? I'm open after 11:00 AM on Monday, and all day on Tuesday. In fact, I'm open the rest of the week.

Thanks,

- Richard
